Engine Type: Inboard

Engine/Fuel Type: diesel

Engine Hours: 4140

Engine Power: 54|horsepower

Tanks

Fresh Water Tanks: 189Gallons

Fuel Tanks: 136Gallons

General Boat Description

If you are looking for an affordable and spacious cruiser that is easy to sail, come take a look at this Sun Odyssey 40.3. She was recently sailed from Hampton to Deltaville where she was treated to a haul out, bottom job, topside cleaning, and is receiving a new cutlass bearing. Her large twin helm cockpit has room for the whole crew and features a fiberglass table, walkthrough transom, and good storage. Her decks feel solid and are easy to move around on while underway. Below, this three-stateroom design can sleep as many as 9 and has a large dinette with good seating. The galley has a large refrigerator/freezer, nice sink, and good storage. Two heads allow for multiple guests with the aft one featuring a larger shower with seat. Take a look at all of the details and photos and make an appointment to see Open Hands today!
