

## ***Catalina//Yachts***

### ***Catalina Advantages***

- ◆ Five piece construction - SOLID fiberglass hull, grid system, full fiberglass hull liner up to rub rail, full molded fiberglass headliner, deck.
- ◆ Aluminum backing plates for winches, cleats, genoa tracks, etc.
- ◆ Larger winches, traveler, rigid boom vang.
- ◆ Vinylester resin in gel coat and two layers below prevents blisters.
- ◆ Marine grade tinned electrical wiring.
- ◆ Greater ballast increases boat stability.
- ◆ Larger diesel engines.
- ◆ Standard features include: ★ Propane stove and oven (C-309 and up) ★ Hot and cold pressurized water (C-28 and up) ★ Hot and cold cockpit shower (C-28 and up)
- ◆ ★ Separate shower sump pump ★ Marine head w/holding tank and macerator (C-28 and up)
- ◆ ★ Electric windlass (C-320 and up) ★ Refrigeration (C-309 and up) ★ Screens for all ports and hatches ★ Lead keel (not cast iron) ★ Roller furling headsail
- ◆ Minimal exterior teak for reduced upkeep -- more time left for sailing.
- ◆ More interior solid teak for longer wear - keeps boat looking new longer.
- ◆ Natural color varnished interior -- no dark staining that's hard to repair.
- ◆ Many opening ports and hatches provide lots of light and ventilation.
- ◆ Built to ABYC standards. All models 30'+ built to CE Category A rating -- unlimited offshore.
- ◆ Molded countertops are rugged, attractive and easy to keep clean.
- ◆ Large square cockpit that's comfortable for sleeping, lounging and entertaining.
- ◆ Wide swim platform and swim ladder.
- ◆ Traditional designs undergo gradual year-to-year improvements based upon customer interest -- no flashy design changes that will make your boat look outdated quickly.
- ◆ 5 year hull warranty.
- ◆ Built in the USA.
