General Boat Description

Recent price reduction for fast sale! Offers encouraged! Purchased by the current owner in the Spring of 2022, this blue water cruiser took them safely to the Bahamas to explore the islands while making some nice upgrades along the way. Recently sailed into Deltaville and put on the hard, she is ready for her next adventure. Recent updates include new standing rigging, new Garmin electronics, solar, windlass, and more. The large deck areas and beautiful interior woodwork make this center cockpit a great liveaboard. See the full details and call for an appointment to see her in person.
