General Boat Description

Recently Reduced! Motivated Seller! Get your family out on the water aboard this 1995 Catalina 320 "Dragonfly". Introduced in 1993 and designed by Gerry Douglas, the Catalina 320 was praised for its spacious interior and surprising speed. Dragonfly has the ability to sleep 7, with 2 private cabins. A/C and heat provide an escape from the elements. A well-appointed galley and wet head make overnight stays and longer journeys a breeze. A shoal draft keel gives the boat a draft of just 4.3 feet, allowing you to go where similarly sized boats cannot. Schedule a showing today to see if this is the boat for you!
