General Boat Description

Motivated Seller!! The 1987 Catalina C34 is a well-regarded cruiser known for its solid construction, spacious interior, and excellent sailing performance. Measuring 34 feet in length with a generous 11\'9" beam, it offers a comfortable and stable ride, making it ideal for coastal cruising or extended weekend getaways. The interior layout features a roomy aft cabin, a large main salon with a convertible dinette, a functional galley, and a private forward V-berth, providing sleeping accommodations for up to seven. On deck, the Catalina C34 boasts a user-friendly rig, wide side decks, and a roomy cockpit with wheel steering, making it manageable for short-handed crews. Its dependable Universal diesel engine adds reliability under power, while the boat\'s balanced hull design delivers responsive handling under way.
