Fresh Water Tanks: 1131Gallons

Fuel Tanks: 163Gallons

General Boat Description

Ready for adventure, this Catalina 42 MKII #994 has the 3-stateroom layout with a forward Pullman berth and forward head with separate shower stall. Her first owner enjoyed many years of living aboard in the Caribbean before she was sold and lightly used in New England. Her current owner brought her to the Chesapeake in 2022 and has thoroughly enjoyed this nice Catalina but is ready to go bigger. With features like factory air-condition systems, dinghy davits, and solar, she is ready to move aboard full time and head for the islands or cruise the bay a week at a time. Call today to schedule your visit and take a full tour of Full Circle while she is available.
