General Boat Description

This solid Endeavour 32 has seen many upgrades over the last 10 years and would make a good island hopper or coastal cruiser. The shoal draft fixed keel and skeg hung rudder provide peace of mind while exploring larger areas while still allowing for use in skinnier waters. Her sails and exterior canvas are in good shape and the teak accents add a bit of class to her appearance. See the full list of details and make an appointment to see Wind Song today!
