General Boat Description

Recently Reduced for an Expedited Sale!

Purchased in 2007 by the current owner, this HR41 has made several Atlantic crossings and has seen many updates over the years including a repower in 2007 with a fresh water cooled Yanmar diesel, Victron electrical components, new generator in 2023, brand new water heater and stove in 2024, plus more. A custom filler makes the aft double berth into a large single for extra comfort, new cushions were made for the cockpit and berths in 2020, and new window dressings were added. Her sail inventory includes 2011 headsail, 2017 main and mizzen, a staysail, and an older spinnaker. Surveyed on the hard prior to being imported into the U.S., the report is available for reference. Come see this rare opportunity here in Virginia before someone else takes advantage!
