Fresh Water Tanks: 1250Gallons

Fuel Tanks: 1160Gallons

General Boat Description

If you have been waiting for the opportunity to purchase an Island Packet 420 to explore the world, Genesis of Argyll may be the answer you are looking for. This very well-equipped blue water cruiser was just hauled, bottom painted, and is ready to be splashed in time for the fall cruising season. First commissioned in the U.K. and enjoyed in the eastern Atlantic by the first two owners, she crossed the ocean with the current owners who invested in many great updates before making their way to the Caribbean and eventually to the Chesapeake Bay this summer. She is outfitted to be enjoyed away from the marinas and ready to take you to your favorite destination. See all of the great features listed and call for an appointment to see her today!
