General Boat Description

Purchased 4 years ago by the current owners to enjoy the Chesapeake Bay, this Marine Trader is outfitted for extended cruising and has conquered the Great Loop with prior owners. Her teak decks have been removed, filled, and painted to ensure easy maintenance. There is a large Bimini top protecting the flybridge with comfortable helm chairs and recently upholstered cushions. A custom aluminum frame with solar covers the aft sundeck while providing 12v power to the batteries. The interior is dry and features 2 private cabins, 2 heads, and a large well-appointed galley. Please see the full list of features and upgrades included in the listing. She is in a covered slip and ready to show at Deltaville Yachting Center.
