General Boat Description

This sharp looking Sea Ray is ready for reliable fun on the water with recently rebuilt Mercruiser freshwater cooled inboards. Enjoy sight fishing from the flybridge under the hardtop or operate from below in the semi-enclosed lower helm protected from the elements. The large cockpit has room for multiple anglers and features large in-floor fish boxes, a transom door, and large livewell. There are plenty of rod holders along with outriggers which make her great for winter trolling. Inside, there is plenty of comfortable seating and a dinette in the helm area. Down below there is a generous v-berth, galley, and enclosed stand-up head for extended enjoyment on the water. Come check her out and make an offer on this versatile cruiser!
