General Boat Description

If you are ready to take your cruising to the next level, this robust Vista motor yacht is ready to move aboard and expand your territory. Powered by legendary Perkins T6.354 turbo diesels, you can confidently cruise the open waters to reach your favorite destination. A 2015 Westerbeke generator and adjustable solar array along with a 24gph water maker can keep you off the grid for long periods. The large flybridge protected by a custom hardtop has room for the whole crew and the wide-open aft sundeck is a great space for relaxing in the shade or entertaining guests in style. There are wide paths to the bow for easy line handling and anchoring with a nice Maxwell windlass and heavy ground tackle to keep you secure. As you enter the salon from either the aft companionway or sliding starboard side door, you will notice the quality far east craftsmanship and attention to detail. The lower u-shaped dinette and opposing full galley will make you feel at home when preparing and enjoying meals. The forward stateroom features high and low bunks, a settee, and private head with separate shower stall. The owner\'s aft stateroom is spacious and welcoming with a centerline queen berth, built in nightstands, and generous storage. The aft ensuite head with electric toilet and molded sink, also features a separate shower. Be sure to see all the details and call for an appointment to explore this thoroughly enjoyed long distance cruiser.
